

This project has received funding from the European Union's Horizon Europe research and innovation programme under the Marie Skłodowska-Curie grant agreement No101178498

IBERUS INTERDOC COFUND PROGRAMME (MSCA-COFUND)

Call for candidates for doctoral fellowships

Phase 1 – Results of the Evaluation by External Scientific Committee

The results of applicants passing (Annex I) and non-passing (Annex II) the thresholds of the external evaluation are published in this document. A detailed summary report of the external evaluation will be shared individually with each applicant. This document is publicly available at the programme's website <https://www.iberusinterdoc.com/external-evaluation-results/> and at Campus Iberus Consortium web portal www.campusiberus.es.

Candidates have 14 working days of the publication of the results to start an redress procedure through the online form available at [REDRESS_TEMPLATE.docx](#).

The applicant must ensure compliance with the eligibility criteria of the Iberus Interdoc programme by providing all the supporting documents that may be requested at any time during the selection process. The candidate may be withdrawn at any phase of the process if the eligibility is not duly justified (additional documents may be requested on a case-by-case basis).

Zaragoza, 10th June 2025

This project has received funding from the European Union's Horizon Europe research and innovation programme under the Marie Skłodowska-Curie grant agreement No101178498
