

## IBERUS INTERDOC COFUND PROGRAMME (MSCA-COFUND)

### TOTAL SCORES 1<sup>st</sup> call

The final scores of the overall evaluation are published in this document, including the results of the interviews performed by the Transversal Committee of each University. This document is publicly available at the programme's website <https://www.iberusinterdoc.com/> and at Campus Iberus Consortium web portal [www.campusiberus.es](http://www.campusiberus.es).

From these total scores, the final list of selected candidates of the 1<sup>st</sup> call at each recruiting can be seen in the Annex I of the document. For each recruiting university, it is indicated in Annex II the final ranking of selected candidates and applicants on the waiting list ordered by total score and research line.

The awarded applicants will receive an official invitation to join the Iberus Interdoc Programme and will be given 14 calendar days to accept. In case of resignation, the following candidate on a score basis will be contacted and successively.

Candidates have 14 working days of the publication of the results to start a redress procedure through the online form available at the programme's website ([REDRESS TEMPLATE](#)).

The applicant must ensure compliance with the eligibility criteria of the Iberus Interdoc programme by providing all the supporting documents that may be requested at any time during the selection process. The candidate may be withdrawn at any phase of the process if the eligibility is not duly justified (additional documents may be requested on a case-by-case basis).
