

IBERUS INTERDOC MSCA COFUND PROGRAMME

Call for candidates for doctoral fellowships

Final Scores – Resolution on Redress Requests — Iberus Interdoc Cofund Programme

Following the publication of the Final Scores of the 1st Iberus Interdoc call on 24th July 2025, and within the established deadline for submitting redress requests, having received and admitted for consideration the requests submitted in due time and form, it is hereby resolved that:

1. **Mohamed Ziaudeen Shahul Hameed**, requesting a reassessment of his application, will receive the interview summary with the scores of the Transversal Committee and their comments.
2. **Fatemeh Dadmarzi**, requesting clarification and feedback regarding the outcome of her interviews, will receive the interview summary with the scores of the Transversal Committee and their comments.
3. **Federico Therisod**, requesting a re-evaluation of his application and interview, will receive the interview summary with the scores of the Transversal Committee and their comments.
4. **Ayodeji Awotunde**, requesting a review of his interview, will receive the interview summary with the scores of the Transversal Committee and their comments.
5. **Christopher Habu**, requesting an explanation for being in the waiting list, will remain on the waiting list as the next candidate to be selected in the event that the candidate selected from the UNIZAR-EP line, which corresponds to the research institute of the University of Zaragoza that co-finances this position, withdraws.

No further redress requests will be accepted in relation to Final Scores results of the 1st Iberus Interdoc Call.

Zaragoza, 4th September 2025

Jaume Puy i Llorens
