

This project has received funding from the European Union's Horizon Europe research and innovation programme under the Marie Skłodowska-Curie grant agreement No 101178498

IBERUS INTERDOC DOCTORAL PROGRAMME (MSCA-COFUND)

Phase 2 – Interview phase by the Transversal Committee

The calendar of interviews by University to the applicants passing the thresholds of the Scientific Evaluation of the second call of the Iberus Interdoc programme is published in this document.

Interviews will be conducted by the Transversal Committee. They will be held in English and by means of a secured online platform. Interviews are scheduled to last 30 minutes starting with a brief introduction of the committee members to explain the interview purpose and to allay candidate's fears and apprehension. There will be room for the candidate's presentation to show their motivation for the research project and PhD programme, and room for questions from both sides to assess the candidate's fit to the hosting research group and vice versa and the career development potential and expectations.

Candidates will be interviewed by the transversal committee of the university of their application and evaluated according to the following criteria:

Evaluation criteria	Threshold /max
Transversal skills and other competences (e.g. presentation, communication, English, leadership...)	14 / 25
Motivation to pursue a PhD project in the proposed research topic and doctoral programme	14 / 25
Career development potential, expectations and prospects	16 / 25
Complementarities between the candidate, supervisory team and the programme	16 / 25
Total threshold / Max. Score	60 / 100

Zaragoza, 17th February 2026

This project has received funding from the European Union's Horizon Europe research and innovation programme under the Marie Skłodowska-Curie grant agreement No 101178498
